TERMINOLOGY

- **Go Time** – Refers to the hours of operation after setup and before teardown.
- **Booth Attendant** – A member of our team who delivers and sets up the booth then is present to run the booth and assist your guests.
- **Footer** – The footer of each strip is customized with the name of the couple (or event) along with the date and the URL / Password where your guests can enjoy viewing all the photos online a few days after your event.
- **Keepsake Box** – The copy of the strip that gets saved for the client will be placed in a photo keepsake box. We will have pens available so your guests can write messages on the back of your strips.
- **Password Protected Gallery** – After the event we will load all your guests’ photos into a password protected online photo gallery so you and your guests can enjoy viewing all the photos.
- **Digital Files via Digital Download** – All digital image files will be available for download from your gallery within a few days, but allow up to 2 weeks.
- **Travel** – Booth travels up to 35 miles from our Greensburg office. Additional travel charged at current IRS rate (ex: \$0.56 per mile)
- **Props** – Includes a variety of fun hats, masks, sun glasses, and other fun items. These props are ONLY for the use of the photo booth and not to be taken back to the dance floor by guests.
- **Scrapbooking** – With the scrapbooking service, your guests can place 1 strip in a scrapbook for you and sign their names and leave a message. Service includes us providing the scrapbook and all necessary tape, markers, etc.

THINGS TO KNOW:

Providing Your Own Scrapbook: If your photo booth services does NOT include our scrapbook service and you choose to bring your own scrapbook, you are responsible for ALL aspects including having a place to set your scrapbook, providing pens / markers, providing tape, etc. Since FineLine was not contracted to provide this service, the attendant's focus will exclusively be on running the booth as this as the service we were contracted to provide.

Power: You are required to make sure there is power available in the location where the booth is to run.

Outdoor: We do not offer photo booth service outdoors. Photo booth must be booked for indoor service.

Inaccessible Location: If your requested place to operate the booth is determined to be inaccessible or unsafe for any reason by our operator, a backup location will be chosen for setup.

Booth Operators Not Required to Lift Booth Up Stairs: Our employees are required to be able to lift the equipment in the manner required to setup the booth, but are not required NOR EXPECTED to carry the booth components up a flight or flights of stairs. If your request is to run the booth on an upper level of your venue, this area MUST be accessible by an elevator otherwise this counts as an inaccessible location.
